**COMMUNITY EFFORT LEADS TO
NEW DEVELOPMENT**

On May 12th Morningside welcomed the first new commercial development in over thirty years to the neighborhood. Led by real estate developer John Sheerer, President of Juniper Holdings, the building provides 5,000 square feet of modern professional office space in the neighborhood.

The new construction and now occupancy of the building is a true community effort. Project manager Mark DeRose of Chislett Street coordinated numerous local contractors and suppliers, and managed the creation of a first-rate space for the neighborhood. Meanwhile, the offices are being occupied by Morningside resident and attorney William Brandstetter of the Avolio & Brandstetter Law Firm, State Representative Dom Costa and District Magistrate Ron Costa. Space is available for rent.

A long-standing vacant and abandoned home (photo below), formerly known as 1742 Morningside Avenue, had fallen into disrepair in recent years. Following the creation of the Morningside Business District Concept plan created by residents, Mr. Sheerer, who has renovated several properties in the community in recent years, recognized the opportunity for the corner property. Using the Concept Plan as a template, Sheerer worked with MACC's Housing Committee and residents of the adjacent area to design a structure that works best for the surrounding community.

Creating positive changes within a community often takes time. From developing a community vision, to drafting the blueprints for a building, from pounding the last nail or tightening the last screw, to cutting a ribbon and opening the front door for the first time - positive changes also take a community working together.

Sincerely,
Grant Ervin
MACC President

**MESSAGE FROM
REPRESENTATIVE DOM COSTA**

I would like to thank and commend MACC and John Sheerer, developer and President of Juniper Holdings, for their continued commitment and support to the Morningside Community which is evident by the new building at 6808 Greenwood Street. The partnership between the two is a great example of what happens when the community and private development work together to improve the neighborhood.

I would also like to thank everyone from the neighborhood who came to the ribbon cutting ceremony and our open house on May 12, 2010. The turnout was spectacular!

Please feel free to stop by the office for any state-related issue you may have or just to say "Hi" and see the new building.

Sincerely,

State Representative Dom Costa

ST. RAPHAEL'S SCHOOL & ST. JOHN NEUMANN OF LAWRENCEVILLE SCHOOL NEWS

It's always a sad day to learn that a school may close and St. John Neumann of Lawrenceville may close at the end of this school year.

LETTER FROM COUNCILMAN PATRICK DOWD

I am proud to serve you in Council District 7. We boast the best, most diverse neighborhoods in the City and Morningside is an anchor to this community. Its friendliness, safety and location make it the perfect respite from the stresses of living in a big city.

Over the past few months, my staff and I have been getting out into the community to see what happens on a day-to-day basis in our neighborhoods. We recently hosted the Morningside Council to Go as a walk through the neighborhood where we learned about the history of Morningside from a local, recorded needed improvements to the Natoli Field Playground, and reported a handful of 311 complaints for neighborhood infrastructure issues. Look for those changes soon.

Please join us at the next Council to Go on Thursday, June 24, at the new time of 6:30pm – 8:00pm, at the Morning Glory Coffee House. We are always eager to hear your issues, suggestions and stories regarding Morningside. And as always, please feel free to contact our office at 412-255-2140 at any time with your concerns.

Sincerely,

Patrick Dowd
