The Morningside Family

As we move into September, it's time to honor. Veterans, residents, neighbors, and friends, who are all cordially invited to **Community Day 2007** on September 22nd from 5 p.m. to 11 p.m. at St. Raphael's Gallagher Hall and Schoolyard. Initiated in 2001 as a way to bring the community together after the vents of 9/11, Community Day has grown into an event to bring neighbors together in celebration of much more. Presented by M.A.C.C., all activities are free of charge. Please come out and involve yourself in this family oriented festivity.

September is a great time to become involved in your community, and to help contribute to the wellbeing of your family and neighbors. This month brings a community conversation sponsored by Representative Bennington, as well as a neighborhood forum sponsored by Mayor Ravenstahl. These events give you a chance to bring your concerns to the table, and take another step to

improve Morningside. The Beautification Committee has been working overtime again, and present the fall Community Clean up this month as well.

Finally, thanks to a \$25,000 grant secured by PA State Senator Jim Ferlo and the Urban Redevelopment Authority of Pittsburgh, M.A.C.C. now has resources to hire consultants to conduct a market studies for business district and the vacant elementary school. In addition, the Community Design Center has awarded M.A.C.C. a \$12,000 grant to pursue a streetscape design plan. If you want to take an active role in shaping the future of Morningside, we invite you to become a M.A.C.C. member. Non-members are welcome and encouraged to attend our monthly meetings. However, you are welcome to share your ideas, only M.A.C.C. members are eligible to vote. Won't you consider joining us during this exciting time in Morningside's history?*

Parking Reminder

Please be aware that parking is not permitted on the sidewalk in the City of Pittsburgh. While it might seem logical to pull onto the sidewalk to give cars more room to pass, we ask that you curb this bad habit. Sidewalk parking destroys sidewalks and utility lines, is unsafe for pedestrians, and is illegal:

CHAPTER 541: GENERAL PARKING REGULATIONS

§ 541.01 PROHIBITIONS IN SPECIFIED PLACES.

Except when necessary to avoid conflict with other traffic or to protect the safety of any person or vehicle or in compliance with law or the directions of a police officer or official traffic control device, no operator of a vehicle shall, and no owner of a vehicle

shall allow the vehicle to:

- (a) Stop, stand or park a vehicle:
- (1) On the roadway side of any vehicle stopped or parked at the edge or curb of a street except that a pedalcycle may be parked as provided in Vehicle Code 3509(b)(2).
- (2) On a sidewalk except that a pedalcycle may be parked as provided in Vehicle Code 3509(b)(2).

Remember that Morningside does not require parking permits. In fact, compared to many of the other city neighborhoods, we have relatively few parking woes!

Do Not Call Registry

If you signed up for the National Do Not Call Registry when it first debuted five years ago, it's time to re-register your phone number.

When you register your phone number for free, it will remain on the national do-not-call list for five years. You may re-enter your number on the list when the five years have passed, and you may remove your number from the list at any time.

The Do-Not-Call registry does not prevent all unwanted calls. It does not cover the following:

- calls from organizations with which you have established a business relationship;
- calls for which you have given prior written permission;

- calls which are not commercial or do not include unsolicited advertisements;
- calls by or on behalf of tax-exempt non-profit organizations.

How to register

Subscribers may register their residential telephone number, including wireless numbers, on the national Do-Not-Call registry by telephone or by Internet at no cost.

Consumers can register online for the national do-not-call registry by going to www.donotcall.gov. To register by telephone, consumers may call 1-888-382-1222; for TTY call 1-866-290-4236. You must call from the phone number you wish to register.

Know More About Your Credit

With identity theft on the rise it is more important than ever to monitor your credit. FREE annual credit reports are available by calling toll-free 1-877-322-8228 or by visiting www.annualcreditreport.com. Credit scores, usually available

to lenders, are now *only* available for a fee. If you'd like to see your scores, you can order them for a *fee* from the credit bureaus—Equifax, Experian and TransUnion. For more information on your credit and correcting mistakes, visit www.ftc.gov/freereports and w.consumersunion.org/issues/creditmatters.html.
